Welcome to 2014

Room 6 children are so lucky to be able to have 2 teachers with different strengths and the versatility to work together to give the best learning environment.

★★★★★

Ms Andrea Darling is the morning teacher and will be teaching Reading and Writing. Mrs Irene Wheeler will be the afternoon teacher teaching Maths.

There may be times where we will work for each other to keep the continuity for the children in Room 6.

We are also very lucky to have Marilyn Deadmarsh, a teacher aide who will help support in R6 in the mornings.

Things to Remember

Library days- Wednesday
Reading folders are taken home daily with Poetry on a Friday starting Week 3.

Please feel free to come and talk to either of the teachers. We are more than happy to make a time to discuss any queries. We are both continually corresponding with one another and will pass on any relevant information.

Coming up.....

Meet The Teacher evening- (date to be confirmed).

Look out for information in the notices.
